A Preliminary Guide to the 2011 Services Brochure

The following questions have been compiled to help you think about the kind of decisions that will need to be made when arranging a funeral. You are under no pressure at all to decide on anything at this stage, and we will be more than happy to explain everything to you face to face when we meet. However, if you and your family feel you would like to begin looking at the services we offer, please do so using the attached brochure and these questions, and when you meet with your Funeral Director they will go through things again, to explain all of the options in detail, and to confirm that your wishes are being correctly recorded.

- Is the funeral to be a burial or a cremation?
- Where would you like the service to be held -Church, Cemetery or Crematorium Chapel?
- Do you have a preference for any particular Minister or Officiant to take the funeral service for you? (Religious or a non-religious service?)
- What kind of hearse do you require? (Hearses shown on p10-11)
- Would you require any limousines for transportation? (Family cars shown on p12-13)
- Where would you like the cortege to leave from?
- Where will you be returning to after the funeral?
- Will you be visiting the deceased in the chapel of rest to pay your last respects?
- Would you like the deceased to be wearing their own clothing or for A W Lymn to provide a dressing gown? (Interiors and gowns shown on p26-29)
- Are you welcoming flowers to be sent to the funeral or would you prefer donations in lieu for a chosen charity? (Floral tributes shown on p55-61). Please note we will collect donations on your behalf and hold the fund open for at least one month following the funeral then will write to you with a list of people who contributed towards the fund)
- Would you like A W Lymn to place any newspaper notices for you? (To announce the funeral details or personal messages)
- Have you considered your choice of coffin (Full range of coffins and caskets shown on (30-45)
- Do you have any special or personal music that you would like to use during the service?
- Would you like A W Lymn to print Orders of Service? (Details shown on p24)
- Will the family want to carry the coffin, or will that be left to our professional staff?
- Would you like a list of mourners attending the funeral service? (Details shown on p19)

A W Lymn can help with all of these and any other special requirements you may have.

Please remember, you do not need to consider all or any of these questions if you do not feel ready, your Funeral Director will be glad to discuss everything in detail with you when you meet.
