The 'Best Practice of the Month Award' nominations for October are:

Catherine has nominated **Neville** 'Can I nominate Nev? Last Monday I conducted a funeral at Bramcote, right at the very end of the service a gentleman that had been stood up at the back of the chapel collapsed. When the gentleman came round he vomited on the chapel carpet. I had to start leading the mourners out of the chapel. Nev was waiting outside and I briefly explained the situation. When I returned to the chapel Nev was there helping. I took the gentleman out through the entrance and when I returned Nev was on the floor with Andy the Chapel Attendant cleaning up as the next service was due to arrive. Thanks to Nev the chapel was left clean and the next service able to start on time.'

Mick S has nominated **Wayne** 'I would like to put Wayne at Cotmanhay forward for the Best Practice of the month. He came in whilst on annual leave on Friday 14th October for half a day to help me out with the collection of a deceased person and the coffin run for Matt Winman. When the details of the collection came in at Cotmanhay, all staff were out on funerals.'

Kerry has nominated **Jo** 'Jo from the florist liaised personally with the family to achieve this amazing floral display which was woven onto a coffin for a Mansfield funeral'

and the winner is.....

****Nev****
