Lymn Vouchers from January 2023

What are Lymn Vouchers?

Lymn Vouchers are available exclusively for purchase from A.W. Lymn The Family Funeral Service. They can be used as a contribution towards the cost of services provided by any division of A.W. Lymn The Family Funeral Service. If the voucher holder dies more than six months after the issue date every £10.00 of Lymn Vouchers presented at the time of arranging the funeral with A. W. Lymn The Family Funeral Service will reduce the cost by £12.00

Vouchers can be redeemed against any of the services shown in these brochures. The original voucher cost will be allowed against these services except when arranging the full funeral of the voucher holder and selecting from the "Services Brochure" when, if the voucher has been held for more than six months, an additional discount equivalent to 20% of the voucher cost will be allowed (Terms & Conditions apply - see reverse of application form).

Why choose Lymn Vouchers?

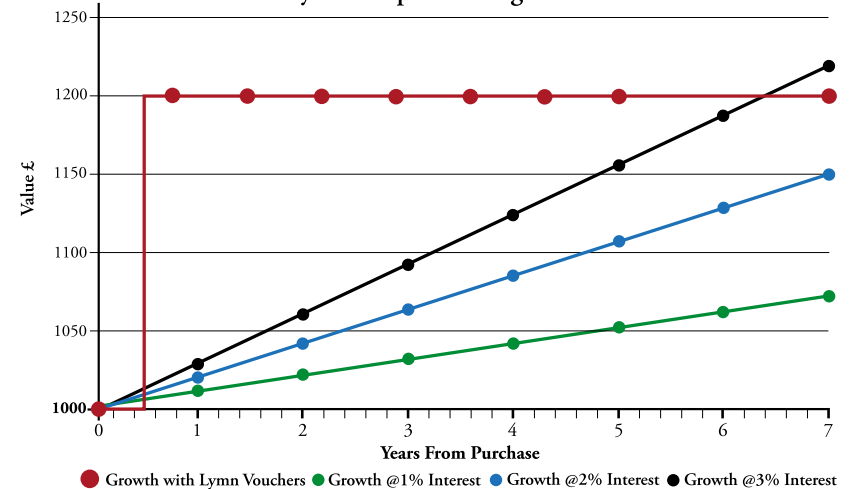

Some people choose to pre-arrange and pre-pay for their funeral and those with sufficient funds, now several thousand pounds, usually purchase a plan from A.W. Lymn The Funeral Planning Service. Many people do not have sufficient savings to do this, are unable to meet regular monthly payments or do not wish to restrict their family's options by committing them to a fully detailed funeral plan.

Without purchasing a funeral plan it is very difficult to budget for unexpected funeral related expenses. Traditionally people kept "cash under the bed" or money in a savings account for this purpose. This is not recommended as it is unsafe to keep cash in the house and the interest earned in small savings accounts is minimal.

Lymn Vouchers provide the ideal alternative.

No large capital sum is required, no monthly commitment is necessary, the money is safe and the Lymn Vouchers, unlike a funeral plan, can be used towards the cost of a funeral for anyone (not just the voucher holder), an A.W. Lymn The Funeral Planning Service Pre-Payment Plan, memorial work, flowers, vehicle hire, donations or the release of doves. Further, if the voucher holder uses the vouchers issued in their name for their funeral with A.W. Lymn The Family Funeral Service an additional discount of 20% of the amount paid for each of those vouchers issued more than six months prior to their date of death will be deducted from the funeral account. Any vouchers purchased but not used towards the funeral or other service from the AWL group will be refunded at face value after the funeral.

Why choose A.W. Lymn The Family Funeral Service?

A.W. Lymn The Family Funeral Service, has been serving families in Nottinghamshire and South Derbyshire since 1907 and is still owned by the Lymn Rose family under the control of the founder's great & great-grandchildren. We have an excellent reputation, employ highly qualified and experienced staff and are readily accessible through our network of local offices. We feel that families are better served by dealing with a local firm that has full knowledge of local customs, knows the regulations at local cemeteries and crematoria and is familiar with the preferences of local ministers, churches and doctors.

We are sure that your choice of funeral director is just as important as your choice of funding and we would therefore recommend that you always talk personally with one of our experienced staff before buying Lymn Vouchers. Remember that this does not have to be by telephone. You can always visit any of our local offices to see one of our friendly staff or we can visit you, by appointment, at home without obligation or cost.

Purchasing your Lymn Vouchers

If you have decided that Lymn Vouchers are right for you then you need to consider the amount you wish to spend. Lymn Vouchers are sold in multiples of £10.00. The first purchase must be at least £50.00 and subsequent purchases at least £10.00.

Remember you are not purchasing a funeral plan and you may wish to use the Lymn Vouchers for things other than your funeral, therefore although you may wish

to talk to your funeral director to get a guide as to what level of Lymn Vouchers you would need to purchase to cover the total cost of your funeral today there is no necessity to do so. It is actually more important to spend only what you can afford.

It is then really very straight-forward. You can telephone our Voucher Sales Manager Catherine Broome on 0115 968 0737, contact one of our friendly staff at your local office, all of which are listed on the back cover of this brochure, or telephone free on 0800 092 0645 to speak to our Voucher Team. They will be happy to answer your questions and they can arrange to meet with you to discuss the options and help complete the Application Form. This can be either at your local office or at your home, the choice is yours. You can even simply complete the Application Form enclosed at the rear of the brochure and return to our freepost address. Upon receipt of the completed Application Form and payment an account will be opened in your name. The initial Lymn Voucher will be sent to you together with forms to enable you to purchase additional Lymn Vouchers at a later date if you so choose.

How can Lymn Vouchers be redeemed?

They can be redeemed in four ways*;

1. Use during the voucher holder's life.

Upon production of the Lymn Voucher(s) the original amount paid will be deducted from the total cost of any service ordered from A.W. Lymn The Family Funeral Service by the voucher holder.

2. Use for the voucher holder's funeral when provided by A.W. Lymn The Family Funeral Service.

Upon production of the Lymn Voucher(s) the original amount paid will be deducted from the total cost of the funeral when ordered from A.W. Lymn The Family Funeral Service. If the date of death is more than six months after the voucher date an additional discount equivalent to 20% of the amount paid for the voucher(s) will be deducted from the funeral account.

3. Cancel the voucher(s) during the voucher holder's life.

Upon production of the Lymn Voucher(s) the original amount paid will be refunded, within 15 working days.

4. Use for the voucher holder's funeral when provided by another funeral director.

If the location of death, funeral service and committal are all in excess of 20 miles from all offices of A.W. Lymn The Family Funeral Service the original amount paid, will, subject to terms and conditions, upon production of the Lymn Voucher(s) be paid to that other funeral director.

* See full terms and conditions printed on the rear of the Lymn Voucher Application Form and repeated on the face of the Lymn Voucher when issued.

Remember Lymn Vouchers are valuable documents and should be kept safely - please ensure that you tell your family or next-of-kin of their existence and whereabouts.

What happens if A.W. Lymn The Family Funeral Service refuse to honour the Lymn Vouchers?

This cannot happen, as A.W. Lymn The Family Funeral Service will be contractually obliged to honour the Lymn Voucher(s) in accordance with the terms and conditions specified at the date they were sold.

What happens if A.W. Lymn The Family Funeral Service sell their business?

A.W. Lymn The Family Funeral Service has been trading since 1907 and is still in the same family ownership. It is therefore highly unlikely that the business would be sold. If however it is, the new owner would be contractually liable for the responsibilities of A.W. Lymn The Family Funeral Service and would be legally bound by the Lymn Vouchers terms and conditions.

Do I lose my money if I go to live with one of my children 150 miles away?

The simple answer is no. During your lifetime the voucher(s) can be used towards the cost of any service offered by A.W. Lymn The Family Funeral Service or they can be sent to A.W. Lymn The Family Funeral Service together with a written application to cancel and the full amount originally paid will be refunded to you within 15 working days.

Upon your death A.W. Lymn The Family Funeral Service must be contacted. If your place of death, place of funeral service or place of committal is to be within 20 miles of any of their offices they must be appointed to carry out your funeral in order to redeem the voucher(s). Outside

of this area they will decide whether they can service your funeral or whether a funeral director local to your children can be appointed. If A.W. Lymn The Family Funeral Service carry out the funeral the voucher(s) will be honoured in the usual way with the additional 20% discount allowed when applicable. If it is agreed that another funeral firm can be appointed only the original amount paid for the voucher(s) would be allowed against their costs.

Can someone else buy Lymn Vouchers for me?

Yes, Lymn Vouchers can be bought by one person for the benefit of another. The voucher holder is deemed to be the person in whose name the Lymn Voucher is issued, this is not necessarily the same person that makes the payment.

What our clients say?

We receive many letters from clients, both at the time of purchasing Lymn Vouchers, and from their families at the time of redemption:

"It proved really helpful. I had been looking at purchasing a funeral plan for many years, but I did not have the funds for an outright purchase, and I was not able to meet a regular commitment to pay by instalments. The vouchers were the simple answer. I could afford the £50.00 minimum first payment, and then pay as much or as little as I wanted, as and when I wanted."

"It was proving very difficult to decide what I wanted for my funeral and I did not want my children to have to pay all my funeral expenses. The vouchers seemed the answer, they left flexibility for my family, whilst ensuring that most of the costs were covered."

"My aunt bought vouchers. Although she used some of these for a stone she still had some left. I used these for her funeral. This was very helpful and we also got the extra discount."
